Caleb: Oh.
Caleb: You don't need that.
me: nope
Caleb: You don't have real teeth.
me: right
Caleb: Very well.
Caleb: I'm all packed.
Caleb: All I need is a good night's sleep.
me: I, too, am ready
Caleb: Then we shall dispatch from Dallas on the morrow.
me: Sir, it is bonded in blood
me: Now I must play some Half Life before my slumber
me: I bid you a good evening, then
Caleb: Geek.
